

Green Team Meeting Minutes 12/5/13

Attendees: Trevor Lloyd, Pam Cubberly, Aaron Sutch, Corey Gillespie

*Meeting called to order by Aaron Sutch at 5:03 PM. There were no outstanding items of business from previous meetings.

- General Meeting Procedures
 - Trevor Lloyd, representing the City, brought up the issue of quorum for Green Team decisions
 - A simple majority of active Green Team members is needed for decisions moving forward.
- Website and Communications
 - Respectful and appropriate communications are key to the success of both the Morgantown GT email list and Green Morgantown Facebook page.
 - We're doing very well as a group, yet are reminded to be conscious of posting 'Reply All' to group emails when not necessary as well to keep FB postings related to green topics.
 - Trevor has been updating Green Team website with relevant information. Feedback or any ideas for content is welcome.
 - "Idea Hopper" consisting of ongoing GT initiatives
 - Trevor looking for input on ways to feature this on website
 - We need 3-4 action ready ideas that could be undertaken by interested adjunct groups that would like a project.
 - Pam Cubberly will follow up with possible ideas
- Outreach
 - Green Nights at the Library
 - No December Green Night
 - January-Recycling, Feb/March- energy-themed, April- Resource Fair
 - December 4 Green Drinks at Table 9 was a success with good attendance and exchange of ideas
- Energy
 - Greenhouse Gas Inventory is still ongoing, citizen input from Green Night is available (will posted as addendum to Dec.5 meeting notes on google group email).
 - Morgantown Lock and Dam Hydro Project
 - a small group of interested stakeholders is gathering to offer input on this process. Contact Ella Belling or Aaron Sutch if interested
 - City is installing equipment on Farmers Market structure to enable online production monitoring system to function
- Water

- River Town initiative forming to get citizen input on ways to enhance river front areas in Morgantown. Contact Ella Belling for more information.

Meeting called to a close by Aaron Sutch at 6:25 pm.
